PROFESSIONAL SUMMARY

Computer Engineer, Android Developer, Data Science enthusiast, Web & Code Fanatic. I am a life long Data Science enthusiast/explorer. I have worked on countless projects governing Machine Learning (Deep Learning, Reinforcement Learning), Android, Web.

EDUCATION

Bachelor Of Engineering | Computer Engineering 2015-2019
A. P. Shah Institute Of Technology

Machine Learning Engineer Nanodegree | Data Science 2018-2019
Amazon Web Services, Kaggle Certified - Udacity

- Mastered core fundamentals of Supervised Learning, Un-Supervised, Deep and Reinforcement Learning.
- Developed models based on Nvidia CUDA, Keras, Tensorflow, Caffe, Pytorch as project frameworks.

Android Developer Nanodegree | Android Development 2018-2019
Google Certified - Udacity

- Extensively covers Advanced Android Architecture components, principles. Developed Apps using core API features, Hardware components, sensors and third-party Frameworks.

XII (Senior Secondary) | Science 2013-2015
Vidya Bhushan Junior College, Mumbai, MH

Secondary School Certificate 2013
Shailendra Education Society, Mumbai, MH

SKILLS

- Languages
Python, Java, JavaScript, C#, Ruby, HTML/CSS, C, Clojure, C++, PHP & MySQL.
- Framework/Environments
PyTorch, TensorFlow, Nvidia CUDA, Keras, NodeJS, Matlab, Android, AngularJS, DeepLearning4j, Rails, Redux

CERTIFICATIONS

- Programming foundation with Python---Udacity Dec. 2018
- Search Engine Optimization---eMarketing Institute Nov. 2018
- Web Analytics---eMarketing Institute Nov. 2018
- Search Engine Marketing---eMarketing Institute Nov. 2018
- Building Real World Native Cross-Platform Application---Computer Society of India June 2018
- Elastic framework Workshop---Ashnik Pte Ltd-June 2018
- Android App Development---Aptech Computer Education-June 2017
- Drupal Web Development---Drupal Association -Dec. 2017

ACCOMPLISHMENTS

- Embedded Design---Awarded By An online contest conducted on 18th August 2017---TEXAS INSTRUMENTS INDIA
